Introduction to Adobe Lightroom

media training

enquiries@mediatraining.ltd.uk 020 7359 9855 www.mediatraining.ltd.uk

Course description

Developed by photographers for photographers, Adobe Photoshop Lightroom allows professional photographers to manage, adjust and present large volumes of digital photographs. This means you spend less time in front of your computer and more time behind the lens. This one day Adobe authorised course is designed to ensure you harness the potential of Lightroom to dramatically improve the way you manage digital images, from raw capture to creative output.

Course information

Course duration

One day

Course cost

Public scheduled course: £345 plus VAT per person.
This course runs as a public scheduled course on a regular basis.
Please call 020 7359 9855 or visit www.mediatraining.ltd.uk for dates.

Private course: £495 plus VAT for individual tuition.
£745 plus VAT for two delegates.
£935 plus VAT for three delegates.
