Bag Making Course.

There is nothing more satisfying than making something that is totally unique to you. Well now you have an opportunity to extend that to the bag you carry. Nowadays we are always changing the bags we carry sometimes quiet often during the day. On this bag making course you will learn how to make a series of fashionable bags using a variety of fabrics from the everyday shopper to something fancy for the evening. It covers the fabric choice, interfacing and wadding, how to add a magnetic fastener, how to insert a zip, how to add a pocket, when to use boning and loads more.

You will learn how to make anything from a zipper closing make up bag, a messenger bag, a duffel bag, everyday shopper, a kiss lock frame evening bag and more.

This course requires some basic sewing and machine skills. If you are new to sewing you will need to complete the basic sewing class first.
