Client Feedback on Skillstudio Courses

A well planned and well run course. I appreciated the supportive environment and having my anxieties recognised and acknowledged. The pace was also managed extremely well. Will recommend it to others.

Surrey County Council

Excellent material, well delivered - really hit the spot.

GSK

Enjoyable, interesting and fundamentally useful in building communication skills. Good for self confidence and assertion for any level of competence.

ONS

Am very happy that I attended this course - enjoyed it very much!!! Very friendly environment. Trainer was great, explained exercises well.

Transport for London

Very interesting and valuable education. It has given me some solutions to my long standing vocal issues and given me an appreciation of the voice as an object.

Lloyds TSB

Excellent individual feedback, rather than "general" comments. Good mix of general exercises and working with "real" content.

Active Operations Management International

The tutor was excellent. We covered a lot but he also gave a lot of individual attention to all delegates. My increased confidence will be a great asset in future presentations & talks.
