

*SHORT COURSE completed online

Level 2 Certificate in UNDERSTANDING CHILDREN & YOUNG PEOPLE'S MENTAL HEALTH

OVERVIEW

Our short CPD courses are ideal if you are looking to refresh your knowledge, upskill or begin a new learning/career pathway (whether for personal or professional reasons). All the work is completed at your own convenience (within agreed timeframes) and either uploaded to your personal online portal or within your course workbook and sent via the post, allowing you to gain a qualification from wherever you are.

The courses are all accredited and nationally recognised and awarded by a reputable organisation (NCFE and CACHE) so you can be assured they are relevant and will be recognised by an employer.

Level 2 Certificates are completed within approximately 8 weeks. You will have unlimited access to a dedicated Training Coordinator (TC) for ongoing support and feedback; all of your learning materials are included in the cost* and will remain yours to keep and there are no external examinations or classes to attend. Your work will be verified externally to ensure quality and compliance with the awarding body standards.

Turn over for a breakdown of the mandatory units.

*The only additional cost is a £100 administration fee to cover our costs if you decide not to finish your course.

BENEFITS

'Inspiring excellence through training' isn't only our company ethos, it epitomises exactly what a skilled workforce is. Training invokes confidence, loyalty and productivity within people, meaning both the individual and the organisation thrive as well as promoting a culture of organisational learning and development.

These qualifications result in employees with a proven competence in the role. Using the optional units, the qualifications are tailored specifically to the needs of both learner and employer ensuring the Skills Set achieved is both relevant and practical.

FUNDING

There may be funding available via the Adult Education Budget (AEB) to cover the cost of your course (subject to eligibility) which means it could be done for FREE.

If this doesn't apply to you, we can also help you access a Learner Loan. These are Government loans that offer very favourable repayment terms, are not income dependent and are available to the majority of people with no credit check. You can apply for up to four loans to continue with your learning.

Speak to us about your options for funding.

WHAT COULD YOU BECOME?

COURSE DETAILS

Ensuring the good mental health of children and young people plays a vital part in how effectively they become an integral part of society at large, with ill-mental health often leading to isolation, loneliness and anti-social behaviour.

This qualification provides the knowledge and understanding to identify and support children and young people with mental health issues.

It is suitable for those working or simply living with children and young people.

MANDATORY UNITS

The mandatory units of this qualification are:

- Understand children and young people's mental health in context
- Understand factors which may affect children and young people's mental health
- Understand children and young people's mental health concerns
- Understand the impact of children and young people's mental health concerns
- Understand how to support children and young people with mental health concerns.

PROGRESSION

Although this qualification is suitable for parents and/or relatives and those working with children and young people in a part time role e.g. clubs, groups etc (i.e. not just those working full time with children and young people), it will also provide a good foundation for further study including:

- Level 3 Certificate in Understanding Mental Health
- Level 3 Award in the Awareness of the Mental Capacity Act 2005
- Level 3 Diploma for the Children and Young People's Workforce (England)
- Level 3 Award/Certificate/Diploma in Supporting Teaching and Learning in Schools.

COURSE SUMMARY:

- NCFE Level 2 Certificate in **Understanding Children & Young People's Mental Health**
- Course number: 603/2813/7
- Duration: Approx. 8 weeks
- Unlimited access to an Assessor
- Support materials included
- No external examinations
- **£449 total cost** (unless funded)
- £100 administration fee only charged for non-completion of course

We practice equal opportunities in respect of all applicants. Every applicant is given equal consideration during the selection and recruitment process.

ABOUT US

We have been delivering outstanding training since 1998 and are an Approved Apprenticeship RoATP registered training solutions provider. We work throughout the UK across nine sectors and believe passionately that education and training is made available to everyone.

Our TC's are all selected for their commitment to tutoring and have all attained senior positions within the relevant sector. We also ensure they undergo rigorous refresher training to stay ahead of the changes to working practices.
