Adobe Authorised Training Centre

Professional Retouching in Photoshop CS3

media training

enquiries@mediatraining.ltd.uk 020 7359 9855 www.mediatraining.ltd.uk

Course description

This two day course concentrates on developing professional face and body retouching techniques in Photoshop. The course has been specifically designed for anyone working in a professional capacity in the fashion, glamour or advertising industries. The course is also ideal for anyone working for model agencies or professional portrait photographers.

Course information

Course duration

Two days

Course cost

This course is only available is individual tuition or a private company course.

£840 plus VAT for two days of individual tuition.
Please call for prices for private groups of two or more.

Course location

We have two fully equipped training centres in central London; one is in Highbury and Islington (one stop from Kings Cross) and one next to Waterloo station. We can also run courses onsite at your offices if you prefer.

Pre course requirements

You should have attended the Introduction to Adobe Photoshop course at Media Training (or have an equivalent working knowledge) and a minimum of four months Photoshop experience.

Post training support

The cost of the course includes lunch, course notes to take away, a certificate and six months telephone Helpline support.
