Adobe Authorised Training Centre

Advanced Adobe Photoshop CS3

media training

enquiries@mediatraining.ltd.uk 020 7359 9855 www.mediatraining.ltd.uk

Course description

This is an Adobe authorised power-user course for those who need to harness the full power and potential of Adobe Photoshop CS3. The course includes advanced colour techniques, advanced selection techniques, working with 3D layers, working with Smart Objects and efficient layering and filtering techniques.

If you would like a private version of this course built around your specific requirements, please give us a call.

Course information

Course duration

One day

Course cost

This course is available as individual tuition or a private company course only.

£495 plus VAT for individual tuition.
Please call for prices for private groups of two or more.

Course location

We have two fully equipped training centres in central London; one is in Highbury and Islington (one stop from Kings Cross) and one next to Waterloo station. We can also run courses onsite at your offices if you prefer.

Pre course requirements

You should have attended the Intermediate Adobe Photoshop course at Media Training or have an equivalent working knowledge.

Post training support

The cost of the course includes lunch, course notes to take away, a certificate and six months telephone Helpline support.
