

## ACADEMY TRAINING

Qualifications for the Construction Industry

# Decorative Finishing and Industrial Painting NVQ Level 2—Industrial Painter

If you are working in the construction industry as an industrial painter this is the NVQ for you.

Academy Training aim to provide a high quality assessment and support programme, which will help you achieve your goal to become qualified in your trade and gain your CSCS Skilled Worker card.

Your qualified NVQ Assessor will work with you to complete your qualification with the least disruption to you and your employer as possible. All assessments are conducted on site, at times that suit you and your employer. We use the latest technology to ensure that assessments are recorded electronically, reducing paper-work and improving the experience for you the NVQ candidate. In an average of 5 months, you can expect to complete your NVQ and on passing the CSCS Health and Safety Test, gaining your card.

As most sites require a CSCS Skilled Worker card, you will be well placed to gain work and contracts across the construction industry.

- To be awarded this NVQ you must demonstrate competence against 6 Mandatory (compulsory) units and 1 Optional unit

### Mandatory Units :

- VR01 Conform to General Workplace Safety
- VR02 Conform to Efficient Work Practices
- VR03 Move and Handle Resources
- VR250 Erect and Dismantle Access/Working Platforms
- VR332 Prepare Surfaces for Painting/Decorating

- VR333 Apply Paint Systems by Brush and Roller

### Optional Units (1 of) :

- VR334 Operate Equipment in Support of the Paint Sprayer
- VR335 Operate Equipment in Support of the Abrasive Blast Cleaner
