Qualifications for the Construction Industry

Plastering NVQ Level 2 - Solid Plastering

If you are working in the construction industry as a solid plasterer this is the NVQ for you.

Academy Training aim to provide a high quality assessment and support programme, which will help you achieve your goal to become qualified in your trade and gain your CSCS Skilled Worker card.

Your qualified NVQ Assessor will work with you to complete your qualification with the least disruption to you and your employer as possible. All assessments are conducted on site, at times that suit you and your employer. We use the latest technology to ensure that assessments are recorded electronically, reducing paperwork and improving the experience for you the NVQ candidate. In an average of 5 months, you can expect to complete your NVQ and on passing the CSCS Health and Safety Test, gaining your card.

As most sites require a CSCS Skilled Worker card, you will be well placed to gain work and contracts across the construction industry.

- To be awarded this NVQ you must demonstrate competence against 4 Mandatory (compulsory) units and 1 Optional unit

Mandatory Units :

- VR01 Conform to General Workplace Safety

- VR02 Conform to Efficient Work Practices
- VR03 Move and Handle Resources
- VR65 Apply Finishing Plaster to Background Surfaces

Optional Units (1 of) :

- VR66 Produce Internal Solid Plastering Finishes
- VR67 Produce External Solid Render Finishes
