Business Benefits

Skills for the new millennium – Part Two

Business Benefits

Skills for the new millennium - Part Two

Introduction to NLP

In this experiential workshop you will discover enjoyable ways of developing your personal and professional life through practical, powerful and effective life changing skills.

Discover the core skills of NLP introduced through an interactive experience that are applied in the context of your life.

Introduction to Hypnosis

Experience for the first time just why Hypnosis and Altered States of Consciousness can make amazing changes to your life. In this one day seminar you will learn some of the most in-depth Hypnosis personal change methods there are. Taught by Stephen Gilligan, one of the world's foremost Hypnotherapists, Robert will demonstrate how you can also experience long lasting and profound change.

Ericksonian Hypnosis

Discover the work of Milton H. Erickson in this fascinating and awe inspiring 3 day seminar. Presenting an integration of Ericksonian techniques and NLP models of trance, explore the unique world of trance and altered states of consciousness.

NLP Practitioner Training

This FULLY CERTIFIED and ACCREDITED NLP Practitioner Training is more than learning the core theory, knowledge and practical applications of NLP, it will give you the ability to integrate the changes into your personal and business life so that you will make profound and long lasting changes.

NLP Master Practitioner Training

The Origyn Master Practitioner certification will take you on a journey into the heart and soul of NLP - Modelling. Learn like no other the real patterns of change and how to become a master communicator and agent of change.

Strengths Based Business

We have pioneered new techniques and models for business of all sizes that take into account the success and strengths of the business itself. Combine this with personal strengths and you will gain a significant advantage in your market over your competitors and achieve success faster.

ORIGYN BESPOKE COURSES

Origyn are specialists in the field of NLP Training and bespoke solutions. Origins aim is to provide training and/or coaching activities that will develop skills at a behavioral level to ensure permanent change. Our programs are dedicated to providing world class NLP skills that guarantee participants leave with the ability to use NLP and transfer these skills into their corporate/personal environment.

What makes Origyn unique is our emphasis on:

- Real world commercial benefits
- Delivering complex ideas and techniques in an easy to understand format
- The ability to bring fun into places where others dare not
- Examples drawn from real life/commercial experiences not from text books
- Behavioural development rather than theory
- Down to earth and realistic approach

As a specialist in bespoke NLP Training we can design Client-Centric NLP Training solutions tailored to suit your working culture, products, services and corporate dynamics. We are able to provide flexible and dynamic training and learning environments that can encompass a broad range of requirements and circumstances. The types of approaches we offer and are not limited to include:

- Training needs analysis
- Bespoke courses/seminars
- Design and construction
- Delivery of Training
- Continued learning and feedback
- Coaching
- Further courses/seminars

Testimonials – they say "I do".

"We have a most favorable impression of your intelligence and most importantly, your perceptions and your ability to integrate experience and analysis" "That's as lovely a representation of the importance of avoiding repetitive patterning ….as I have ever read or heard ".

Dr John Grinder – Co-Creator NLP

"Life changing is a complete understatement. So many connections made to make my map so much clearer."

"Well worth the investment & I would highly recommend to anyone looking to enlighten their lives and enrich their performance. I enjoyed most the trainer's interest in everyone's best interest."

"I knew I wanted to train in NLP but didn't appreciate why! Now I know why! I enjoyed most meeting the group, the energy and charisma of everybody including the trainer."

"Bloody brilliant as usual"

"Every second was a journey in itself. Every minute a recovery. Every hour and every day opened my eyes to new possibilities"

"I thought the size of the group was perfect and the support I received from Robert and each other was one of the most incredible aspects of the course. Thank You"

"I just loved the course and loved the learning. Being in a small group felt safe and allowed all of us to delve deeper than we possibly would have done in another environment. Thanks again for the Journey"

"An Incredibly thought provoking day! Thank You"

"Very interesting day that goes through a lot of material and gives you a good idea about the fundamentals of NLP"

"The course is very informative and very easy to understand"

"Light-bulb course".
