

Course Number
SC0105 / SC0105.1

Validity
1 Year

Duration
1/2 Day or Full Day

Formal Assessment
No

This course offers a solid introduction to Medications, and is aimed primarily for care staff who could be called upon to administer or assist with the administration of medications. The half day awareness course is not formally assessed and newly attending delegates will therefore normally require continued supervision in the workplace until competent.

Introduction
