

Personal Track Safety (PTS)

The course starts at 09:00 and last 2 days

The following are required in order to confirm your booking:

- Medical certificate in accordance with GO/RT3255 NR/L2/CTM/021 and in date
- Drug & Alcohol test result in accordance with GO/RT 8070 NR/L1/OHS/051 which must be less than 12 months old if this is your first PTS or you are changing sponsor

We can arrange the medical tests for you in Birmingham (or local to you if requested) at a cost of £140.00+VAT. Testing in Birmingham is next to the Mailbox. Payment is required in full to book the test and is non refundable if you fail to attend, fail to give 24hrs notice of cancellation or fail the tests.

Please allow 2 weeks for test certificates to reach us.

If there are any queries on your medical, which would result in a fail, we will get back to you before the certificate is issued and discuss if further examination/GP report would be useful – this may well be at an additional charge but will result in a time delay.

You MUST bring with you on Day 1:

- Safety boots, lace up with ankle support and protective toe cap, which complies with BS EN ISO 20345:2004
- High Visibility clothing in accordance with GO/RT 3279 and NR/L2/OHS/021 – orange HiVis top and trousers. Work gloves are also needed
- Blue hard hat
- Any existing Sentinel/PTS card you currently have (if applicable)
- Proof of National insurance number.
- Photographic ID (Passport, driving licence, sentinel card).
- One Passport photograph, no hat, no sunglasses. Prescription glasses must be worn if this is stated on your medical.
