ASCENTIS

ANATOMY & PHYSIOLOGY DIPLOMA – LEVEL 3 AWARD

Ascentis is recognised as an awarding body by the qualification regulators ('regulators') for England, Wales and Northern Ireland. The regulators are the Office of the Qualifications and Examinations Regulator (Ofqual) in England, the Department for Children, Education, Lifelong Learning and Skills (DCELLS) in Wales and the Council for Curriculum, Examinations and Assessment (CCEA) in Northern Ireland

Course Information

Course Overview

Anatomy & Physiology (Level 3 Diploma)

This Ascentis Quality Assured Level 3 Diploma course in Anatomy and Physiology aims at providing a foundation in the subject area. Those who wish to enter into studies in the field of complimentary medicines or merely wish to improve their knowledge in this area will find this course particularly attractive. The course will equally provide a basis for those looking at furthering their vocation in the public sector.

Support

You will be provided with comprehensive materials designed to provide you with everything required to complete your course of study. You will have your own personal tutor helping you with your course work and with any questions you may have. Plus you can contact our Student Advisors by email or phone for all the practical advice you may need – so we really are with you 100%.

What's more, you'll have access to the online Student Community, where you can interact with other students, browse our resource library and manage your account.

Assessment

Final online multiple choice examination counts for 100% of the final grade. Throughout the course there are ten SAPs (coursework) and a thesis. The course clearly states that this is not mandatory to complete as it has no bearing on the final grade. We do suggest that students complete these as this will not only assist them in examination preparation but also will give the student the skill set should they wish to continue their studies (continuous professional development) at a higher level.

Course Duration

We recommended you spend approximately 400 hours of your time studying for the course name. The pace of study is completely up to you. To give an example, if you dedicate 8 hours a week to the course it would take you a year to complete but if you could spare 16 hours a week you could complete it in six months.

Get started today, and you can earn your Level 3 Ascentis Award in Anatomy & Physiology in as little as six months, or take up to two years, if you prefer – the choice is yours.

Home Study Entry Requirements

The good news is that no prior learning knowledge or experience is essential to take this course. This course is openly available to anyone wishing to learn more about Anatomy & Physiology and would like to take part in a highly rewarding home study course. We believe that everyone should have the opportunity to expand their knowledge and study further, so we try to keep our entry requirements to a minimum.

You have the freedom to start the course at any time and continue your studies at your own pace for a period of up to 24 months from initial registration with full tutor support.

Course Fees

Our aim is to provide you with the best deal available, therefore any registration fee, certification fee and full tutor support is included in the course price for you. The enrolment fee for the Anatomy & Physiology home study course is £481.25 (inc VAT), though for a limited time we are offering you the opportunity to pay only £385 (inc VAT) which is a 20% discount if you enrol online and pay in full.

You can also opt for our Easy Payment Plan and enrol online today by paying a deposit of £80.20 and then 5 equal payments of £80.20 per month. The first instalment is paid about a month after you receive your course.

How is the course structured?

The Ascentis Level 3 Anatomy & Physiology course is divided into 10 comprehensive modules:

The course consists of 10 specifically crafted modules or units and introduces body systems in a logical manner. Clearly defined learning outcomes will be included in each module and contain self-evaluation activities together with an end of module assignment. It is highly recommended that students complete all assignments set throughout the course to ensure they have the best preparation possible for the final examination.

- Module 1: Introduction to the human body
- Module 2: Communication systems within the body: Part 1
- Module 3: Communication systems within the body: Part 2
- Module 4: Communication systems within the body: Part 3
- Module 5: Intake and elimination systems of the body: Part 1
- Module 6: Intake and elimination systems of the body: Part 2
- Module 7: Intake and elimination systems of the body: Part 3
- Module 8: The survival and protective systems of the body: Part 1
- Module 9: The survival and protective systems of the body: Part 2
- Module 10: The survival and protective systems of the body: Part 3

Qualification

Ascentis Level 3 Diploma in Anatomy & Physiology

This course leads to a Level 3 Award for successful learners. This means that it is independently accredited at a level of learning equivalent to level 3 on the National Qualifications Framework (NQF) for England, Wales and Northern Ireland (in which case GCSE's are at levels 1 and 2 and A Levels are at level 3). In accrediting the programme at level 3, Ascentis attests that its learning outcomes are at an equivalent level to a level 3 national qualification.

This course has been designed to meet specific learner requirements. Accreditation by Ascentis is a guarantee of quality. It means that this learning programme has been scrutinised and approved by an independent panel of experienced educational professionals and is quality audited by Ascentis.

About Ascentis

Ascentis is recognised as an awarding body by the qualification regulators ('regulators') for England, Wales and Northern Ireland. The regulators are the Office of the Qualifications and Examinations Regulator (Ofqual) in England, the Department for Children, Education, Lifelong Learning and Skills (DCELLS) in Wales and the Council for Curriculum, Examinations and Assessment (CCEA) in Northern Ireland

Possible Career Paths

Prosthetist-Orthotist
Occupational Health Nurse
Health Care Professional

Further Information

If your course is being delivered online, please ensure you meet the minimum requirements below.

For Windows:

Windows 98, 2000, XP, Vista, Windows 7 - Acrobat Reader 4.0 and above

For Macintosh:

Mac OS X, Mac OS 9.2 - Acrobat Reader 4.0 and above

From time to time we may enrol our students with our partner sites; this is dependent on the number of students enrolling on a particular course and course material availability. If this happens, nothing changes for you other than the name of the college administering your course. We will continue to be your point of contact; you will get the exact same course you have enrolled on with the same high level of quality content and support.

Postage & Packing

Get FREE UK delivery when purchasing distance learning courses online. We will deliver your course materials direct to your door upon enrolment so you can get started straight away and plan your studies around your other commitments.

Frequently Asked Questions

Q. How does distance learning work?

A. To ensure studying is flexible and convenient, most of our courses are divided into sections. You work through each section at your own pace and time. Once completed, send the test paper back to your personal tutor for marking. You will then move onto the next section once successfully completing the previous section. The support period is dependent on the type of course you choose; our minimum support period is one year.

Q. When can I start the course?

A. The answer is simple, when YOU want; you can start the course at any time we do not have any set enrolment dates. Most of our courses don't require any previous experience or qualifications. All you need is a desire and motivation to succeed. You can even start right now - call and speak to one of our Professional Course Advisors.

Q. How long do the courses take?

A. This is dependent upon your choice of course and how fast you want to learn. A full breakdown of the course is available in your course literature. We do provide estimated number of study hours; ask our course advisors for details.

Q. I want to buy a course that is not on the course list. What do I do?

A. Our website has an excellent list of the most popular courses on the market. However, we do have access to a more in-depth portfolio should you not find the course you are looking for. You can call our course advisors and discuss the course you are interested in.

Q. Do the courses have tutorial support?

A. Yes, You will be allocated an experienced tutor who will guide you through the course, mark your assignments and generally help you with any problems you may have. Your tutors can be contacted via email and post.

Q. If I fail an assignment can I retake it?

A. Yes, your tutor will ask you to resubmit your assignment and give you support as to where you could improve.

Q. How do I get help with my course work?

A. You can get help 7 days a week by email, or post from your dedicated tutor, you just email your assignments for marking. You have to send your assignments one at a time so the tutor can mark one and give you the feedback.

Q. Will I get a qualification at the end?

A. Yes, for all our courses, you will receive a diploma or a recognised qualification from the awarding body of your course.

Q. Is the course work done online or sent via the internet?

A. No, the work is done offline using your PC or for paper based courses working through your course folder. All the assignments are in the course manual so there are no online costs incurred.

Q. Is there a time limit or any deadlines?

A. We do like you to complete the course within the tutor support period but we can extend this for a small charge (currently £35 for 12 months). If you follow the recommended study hours, this will give you a good guide.

Q. Will I have to sit an examination?

A. Most of our paper based courses do not require you to sit examinations, only continual assessments. Where there are examinations required, you will receive all the information you need to make your own exam arrangements. Please note exam fees are not included in your course fee, unless otherwise stated.

Q. How quickly will I receive my course material?

A. Once your payment has been received and cleared your enrolment should be processed within two days and your course materials delivered within 5 days, for customers who choose to pay in instalments this can take longer as we need a signed agreement back from you before we send the course materials.

Q. Do I have to buy any other materials?

A. Our comprehensive course materials are designed to be self-contained with all the relevant information you require to complete the course and gain the relevant certification. However some of our students undertake additional reading via relevant textbooks/study guides and/or the Internet to add value to their studies.

Q. I'm not sure of what course I should take? Can you help?

A. Yes we can, it is important that you pursue a course which you will enjoy. Although we cannot make this decision for you, we employ a team of dedicated Professional Course Advisors, who will guide you towards making the right choice. Whether you want specific information, or just a chat about what's available, call us now on 0844 357 1110.

Q. Why choose eDistance Learning?

A. The breadth and depth of our portfolio of courses means that we will have a course to interest you. We are committed to your success, and offer advice and support through every step of the process. We have a dedicated team of Professional Course Advisors that can give you access to career and recruitment advice, whilst offering excellent value and quality courses.
