

IOSH Managing Safely Syllabus

Module 1 - Introducing managing safely

Module 2 - Assessing risks

Module 3 - Controlling risks

Module 4 - Understanding your responsibilities

Module 5 - Identifying hazards

Module 6 - Investigating accidents and incidents

Module 7 - Measuring Performance

Module 8 - Protecting our Environment

There is a 22 question exam at the end of the course. You will also have a 'practical assessment' that is to be completed within two weeks of completed the course. Once that assessment is graded and the exam scores are added, you will receive your results. Successful completion of the exam will result in being awarded the IOSH Managing Safely Certificate.
