SCREEN CAPTURE AND INTERACTIVE E-LEARNING PRESENTATIONS

Duration: 1 Day   **Venue:** Cardiff

Book Today
Create engaging and Interactive E-Learning Presentations

Overview

The course is designed to give delegates the skills to develop professional E-Learning training systems, using the latest cutting edge "Screen Capture" techniques.

The training will allow delegates to gain practical experience of using Screen Capture tools, such as Adobe Captivate or Camtasia and will enable the delegate to learn how to create engaging, interactive and innovative simulations, demos and E-Learning presentations.

Who should attend

This course is suitable for students who would like to learn how to create professional interactive presentations using and evaluating various screen capture tools. Students should be familiar with using Windows and basic computer functions.
