Agile Project Management Foundation Course

Course Objective

This course is designed to cover in detail the Agile PM Foundation syllabus, and to prepare delegates for the Foundation exam. Agile PM is a highly flexible and interactive methodology. It includes the standards, rigour and visibility that you would expect from an established project management methodology, while at the same time enabling the fast pace, change and empowerment provided by Agile.

Delegate Profile

This qualification is aimed at individuals newly appointed to project roles or those wishing to gain formal qualifications following previous project experience. This course would be of benefit to those with project support or project assurance roles as well as team members aspiring to more senior roles.

The Package

Included in the cost of the course are:

- Pre-course preparation pack
- Publication 'Agile Project Management Handbook'
- Access to AFA Atrium
- Access to ProjectCoach service
- Printed course material
- Examination fee

The Exam

The foundation exam, taken at the end of the course consists of:

- Question booklet contains 60 questions.
- Pass mark is a total of 30 or more out of a possible 60 (50%).
- 1 hour multiple choice, closed book.

Typically pre-course preparation will require 2-3 hours of study.

Trainer Profile

All AFA trainers are practicing project managers with considerable experience in a wide range of industry sectors. The use of hybrid trainer-practitioners ensures the trainers have up-to-date, real world knowledge of implementing the methods.

Why AFA?

AFA was established eighteen years ago as a management consultancy organisation. In 1996, AFA became one of the original group of PRINCE2 Accredited Training Organisations. AFA quickly established a reputation for delivering training courses that combine excellent exam pass rates with realistic and practical guidance ensuring maximum skills transfer.

AFA has always played a full part in the Best Practice community. AFA trainers and consultants, including the AFA Managing Director, Alan Ferguson, have served on the editing and review teams for all recent updates of the guidance manuals.

AFA continues to specialise in the Best Practice methods, becoming accredited at the earliest possible opportunity to deliver training in:
