A Distance Learning Course is the ideal way to gain a qualification without having the worry of trying to fit your studies around your everyday life. You can complete your studies in your own time and we are on hand seven days a week to help you plan your future.

Course Description

Autism is part of a range of related developing disorders known as autistic spectrum disorders (ASD). They begin in childhood and last through adulthood.

Autism Awareness can cause:

- Difficulties with social interaction
- impaired language and communication skills
- unusual patterns of thought and physical behaviour

There is currently no cure for Autism Awareness. However specialist education such as the Autism Awareness Course can help improve symptoms.

This course will allow you to become customary with numerous approaches to autism, have increased awareness of how to obtain a diagnosis and enable you to understand genetic environmental causes of autism. The Distance Learning **Autism Awareness course** will also explain how research in other conditions can help research into autism.

This course will provide you with a better awareness of the term "autism" and "autistic spectrum disorder" (ASD).

- Describe autism
- Understand the difference between autism and Asperger's syndrome
- Explain the gender differences
- Distinguish conditions related to ASD
- Explain how investigation in other conditions can help research into autism

This course includes registration fee, certification fee and full tutor support is included in the course price.

Previous Knowledge Required

You do not need any prior learning knowledge or experience to take this course. This course is openly available to anyone who wishes to take part in a highly rewarding home study course, although you would be expected to have a reasonable standard of literacy.

You have the freedom to start the course at any time and continue your studies at your own pace for a period of up to 12 months from initial registration with the full support of your Tutor.

Support

You will receive the entire package of course materials in a single dispatch together with dedicated Tutor Support for 12 months. All assignments are marked by one of our professional Tutors who will offer regular feedback and guide you through your course.

You will be provided with the telephone number for your dedicated Student Support Team who will be available for any other queries that you may have whilst completing your course. You can be assured that you will receive unlimited support for your home study course, so there is no need to struggle or feel isolated during your studies.

Assessment

Completing a series of tutor marked assignments and a short multiple choice exam will lead you to the highly acclaimed Level 2 Certificate in Autism Awareness.
