

Hawaiian Lomi Lomi Massage National Diploma

1 Day Course ONLY £195 inc vat

Bookings: (0115) 9818317

The Hawaiian lomi lomi massage is the ultimate in relaxation therapy and training is now available at Cosmetic Consultants Training Centre, Nottingham.

This full body massage transports you to the tropical shores of Hawaii. Taken from the ancient healers of Hawaii, this is a stunning deep tissue massage which is surprisingly gentle and can mobilise the joints, gently stretch the body and deeply relax the mind.

This massage is a free flowing style with the hands and forearms which mimic the ebb and flow of tropical waves. The beautiful, nurturing style of this massage makes it an instant favourite not only with clients but also therapists, making it yet more special and unique.

This one day course is taught with a maximum class size of 6 students - with all models, products, equipment & reading materials provided for you.
