Managing Food Safety in Manufacturing

Level 4 award

5 day course

www.abcfoodlaw.co.uk

This qualification is aimed at managers already working in food manufacturing, or those who are preparing to work in the industry, and whose job requires them to have some responsibility for food safety.

The course covers the subject of food hygiene at a suitable depth to ensure learners have a thorough knowledge of hazards and controls. The focus is on the importance of developing, implementing and monitoring food safety procedures.

Venue: Norwich Research Park, Norwich, Norfolk

Tutor: Dr Andy Bowles

Cost: £495 + vat
