OTHM Level 7 Diploma in Health and Social Care Management (RQF)
Qualification Number: 601/8177/1

Overview

The OTHM Level 7 Diploma in Health and Social Care Management is designed to enable learners to develop a sound understanding of policy, management theory and practice in health and social care. It provides learners with an opportunity to engage with the challenges facing professionals, services users and policy makers in own country. It will enhance knowledge in learners so that they can work as an effective manager in hospitals/social care industry. It combines both theoretical and practical knowledge in the health and social care professions.

Entry Requirements:

Learner must fulfil at least one of the following criteria to be allowed entry to the qualification:

- Possession of an honours degree in related subject or UK level 6 diploma or an equivalent overseas qualification
- Mature learners (over 21) with relevant work experience
- English requirements: If you are not from the United Kingdom or a majority English-speaking country, you must provide evidence that you are competent in English language at a minimum of CEFR (the Common European Framework) level B2 from a recognised English test provider or IELTS level 5.5 in each component.
