### **PROFESSIONAL PALMISTRY COURSE – Home Study Diploma Course**

This course provides you with a good all round knowledge of palmistry, which is the art of characterisation and foretelling the future through the study of the palm. Hand analysis or Palm Reading (as it is also known) is practiced all over the world. Although there are many cultural variations the principles are the same.

Palmistry is not just about the study of lines on the palm, but includes the understanding and interpretation of the shape of hands, fingers, nails, mounts and other formations that appear on the palms and fingers. To be a professional Palmist, you also need to understand the importance of the primary and secondary lines on an individual's palms. There is no right or wrong answer to palmistry, but it can steer the person into making the right choices in life. The palm provides us with a map of life and it is up to the individual to make the most of it, through self-awareness so that they can shape their fate and influence their future direction.

To further confirm this theory, think about the number of times you have heard people say "Your future lies in your own hands?" – this is so true when you come to understand the intricacies involved in Palmistry. You will then realise how useful and important it can be. This ancient science is extremely fascinating and even those who refuse to believe in the theory are inevitably drawn towards it.

Luna Online Home Studies has incorporated many diagrams and pictures of the different shapes and lines of the hand to help the student understand the complex art of Palmistry Reading.

### **Benefits of having knowledge and skills in Palmistry**

To have knowledge and possess skills in this subject can be a useful tool to assist others and yourself in understanding why 'we are what we are' and give guidance on taking the right direction for the future. It is the beginning of a fascinating and exciting journey into the world of Professional Palmistry.

If you want to amaze your friends, family and clients with your accurate readings and are serious about becoming a professional palm reader then this course is a must for you.

## **Overview of Part 1, 2 and 3 of the Professional Palmistry**

### **Part 1**

### **Part 2**

Lesson 4 explains the principal lines of the hand, their quality, where the lines end and begin, the shapes, colours, rising lines and all of their meanings. This lesson also includes the definition of the Life Line, calculation of the different times of life which is essential to the art of a Professional Palmist.

Lesson 5 continues with the definition of the Head Line, again the quality, length and the shape of the line and finally the lines of interference which further describes an individual's character.

Lesson 6 concludes with the definitions of the Heart Line which is the emotional part of the makeup of a person and Fate Line which deals with careers and the path that a person can take.

### **Part 3**

Lesson 7 begins with Minor Lines of the Hand, including the Medical Stigmata, the Lines of Marriage, the Line of Mercury, the Bracelets of Neptune, the Ring of Saturn, the Ring of Solomon, the Girdle of Venus, the Lines of Mars and finally the Line of Apollo which further describe an individual's personality and can also help them with their future choices and direction.
