Course Overview

Clearing and Forwarding Diploma course

This course will cover the Clearing and Forwarding industry with a particular focus on International Contracts, Sea Freight and Customs. All our courses are online course.

Course Outline

11 Modules over 6 and half month's part time or 6 weeks full time.

Course Requirements

- English language, all courses are written in English as this is the primary language of global business.
- Computer, internet connection and printer (should you wish to print the course).
- A valid e-mail address.
- Time set aside to study as per the course requirements

Course structure

11 Modules over 6 and half month's part time or 6 weeks full time.

Recommended study time set aside – we recommend **5 to 7 hours per week for each module/pilot certificate** ie the part time 2 week pilot certificate course will need 10 to 15 hours. The time will vary depending on the students original knowledge of the course material.

A soft copy of your full course module in a PDF format will be available on the e-campus for you to download. You will then be able to print a hard copy for study purposes if you choose.

Sum total of all your Pilot exams = 40% of your final mark. Two online exams with a time limit will be required to be completed for each module.

Assignment = 20% of your final mark. An assignment at the end of the diploma course is required, the assignment will be sent to you via e-mail and you need to submit this back to your Tutor for grading and feedback.

Final exam = 40% of your final mark. Your final exam will be conducted online with a time limit and will encompass all your course material.

Final mark = 100%

Pass mark = 65%

Learner support

- **Online exams** - You will be sent an email notifying you of the exams that are due to be completed by yourself, there are two exams per course, these exams help you in your studies and keep you on track with your Personal Course Plan.
- **Personal e-Tutor** - You will be nominated a personal e-Tutor, all communication with your e-Tutor will be done via email.
- **Personal Course Plan** - Your e-tutor will be in contact on a weekly basis regarding your course plan and to motivate you to keep on track with your course program.
- **Past Exam Papers** – You can download past exam papers with model answers to assist in preparing for your exams.
- **Study Tips for Exams** – You can download a study timetable from the website and also read about our study tips.
- **Fun Merchant Shipping Quiz** – You can try out our fun quiz to experience what your exams will “look and feel” like
- **Student Forum** - A student forum is available online at our e-Campus for discussions, questions and networking with likeminded colleagues.

Our e-Campus offers

- **Course Portal** - this is where you will access your course notes and complete all your exams online
- **Shipping Library** - this area is full of very important and interesting information for the courses and your career.
- **Student Forum** - this is our newest area where they will be able to view previous and current student questions and college information. A social section is also made available so they may network and socialise with other students.
